

Dear Patient,

As of April 27, 2010 we will exclusively be admitting our patients to one hospital in Brevard County, Holmes Regional Medical Center in Melbourne. Holmes has a history of providing excellent pediatric care and has a dedicated Pediatric Unit with experienced pediatric nurses. It is also the Level II Trauma Center for Brevard County and has a Level II Neonatal Intensive Care Unit. Although this may cause increased travel time for some of our patients' families, we believe it is in the best interest of our patients. We will no longer have privileges for care at other hospitals in the county.

If you have a medical emergency go directly to the nearest emergency department or call 911. After evaluation in the emergency department, any further treatment or follow-up can be coordinated with one of our physicians, who remain on call 24 hours per day.

Sincerely,

Pediatrics in Brevard
